

The Hula Valley Bird Festival is back for our 4th year and we are happy to present our new, better than ever birding program towards the 2014 Festival week.

The HVBF Birding program is designed in a way that you will get the most out of their visit, an impressive species list and amazing migration experiences.

The first 2 days will be devoted to the hotspots of the Hula Valley, mainly the KKL Agamon Park including the Mobile Hide tour, the Hula Nature Reserve and some local sweet spots.

From festival day 3 (18/11/14) we will start venturing further afield on longer, full day tours. These tours will include the best birding sites Northern Israel has to offer including Mt. Hermon and the Golan, Sea of Galilee and the Bet Shean Valley, The Eastern Galilee, North Med coast and more.

Those wishing to not join the full day tours will have the option to join shorter birding tours in the Hula Valley.

Please go over the tour program below to get an idea of what is in store for the festival week.

**2014 Hula Valley Bird Festival Program**  
**All these tours are free for Birding package visitors**
